**DETAILED ACTION**

***Claim Objections***

A telephone call was made to Applicant in order to correct the informalities and place the application in condition for allowance, but did not result in an expeditious action being made.

Claims 10-16 and 24-23 are objected to, because of the following:

Claims 10-16 and 24-30 depend on cancelled claims. The claims should depend, now, on allowable claims 6 and 20, respectively.

Claim 17 withdrawn to non-elected Species without traverse is still present in the application. The claim should be cancelled.

Correction is required.

***Specification***

The abstract of the disclosure is objected to because it exceeds 150 words.

Correction is required. See MPEP § 608.01(b).

***Allowable Subject Matter***

Art Unit: 2872

Claims 6-9, 20-23 and 31 are allowable over the prior art for the same reasons claims 6 and 20 were indicated allowable in the Office Action mailed on 1/29/04.
